

Lesson 389

Mechanics - Punctuation - Colons

Use a *colon* between the title and subtitle of a book.

Example:

The Wide World: A High School Geography

Instructions: Place *colons* where needed.

1. Have you examined for possible adoption *Warriner's English Grammar and Composition Complete Course*?
2. The *Advanced Composition A Book of Models for Writing* has been used for many years.
3. I didn't like *Episodes in American History An Inquiry Approach* as a history text.
4. *Men and Nations A World History* covers what we need very well.
5. *The American Nation A History of the United States* seems too advanced for our grade level.
