

Lesson 402

Mechanics - Punctuation - Apostrophes

Use an *apostrophe* to indicate possession with *nouns*. A *plural noun* that does not end in "s" forms the *possessive* adding 's just like the singular noun. Write the noun; change no letters; drop no letters; and then simply add 's. This rule is always the same for each plural noun that does not end in "s."

Example:

men - men's

Instructions: Supply the *apostrophes* and "s" ('s) to make the *possessives* in the following sentences.

1. These women hats are sold in this store.
2. The children party was a great success.
3. The mice tracks were everywhere in the dust.
4. We followed the two deer tracks in the snow.
5. The geese flight was smooth and graceful.
