

## Lesson 87

### Parts of Speech - Review

We are going to review the eight parts of speech in the next five lessons. The eight parts of speech are *verbs*, *nouns*, *pronouns*, *adjectives*, *adverbs*, *prepositions*, *conjunctions*, and *interjections*.

**Verbs** show action or state of being.

**Nouns** are the names of persons, places, things, or ideas.

**Pronouns** take the place of nouns.

**Adjectives** modify nouns or pronouns and tell *which*, *whose*, *what kind*, and *how many*.

**Adverbs** modify verbs, adjectives, and other adverbs and tell *how*, *when*, *where*, and *how much*.

**Prepositions** must have an object and show a relationship between its object and some other word in the sentence.

**Conjunctions** join *words*, *phrases*, and *clauses*.

**Interjections** show feeling and are punctuated with either a comma or an exclamation point.

**Instructions:** Identify what part of speech each word is in the following sentences.

1. Neither Ila nor I knew that the baby had arrived already.
2. Yes, you can go with us to Canada tomorrow.
3. We will be driving together, but Mom won't return at the same time as we do.
